

ADOBE ILLUSTRATOR

BEGINNER TRAINING COURSE

LEVEL

01

OFFICIAL ADOBE TRAINING COURSE
TRAINED BY APPROVED INSTRUCTORS

Course Description

This beginners course provides key user aspects and understanding of digital imagery and industry methods for achieving fast and effective professional results in design. If you work with logos, information graphics and other forms of illustrative artwork this course is for you. This is the industry's premier vector-drawing environment software.

Course Information

Duration:	2-3 days
Time:	9:30am – 4:30pm
Location:	T2 Train Suite or On-site training available throughout the UK
Courseware:	Adobe Illustrator manual recommended for use during the course
Qualifications:	T2 Train Ltd certificate on successful completion

Before attending this course, delegates should have a working knowledge of:

- Microsoft® Windows® XP/Vista/7
- Understanding of design and media sectors.

Course Availability

Scheduled on a quarterly basis and arranged as and when required.

Course topics and duration may be modified by the instructor based upon the knowledge and skill levels of the course participants. Maximum 8 delegates per course. All courses come with a freshly chef prepared buffet lunch and refreshments.
